May of each year is a special time for Classified employees. Since 1986, California has taken the third week in May to honor the invaluable contributions of Classified school employees.

This year's Classified School Employee Week (CSEW) was from May 15 through May 21. Chapter 33 members from around the District gathered at Skyline College and CSM on Tuesday, May 17. Cañada College celebrated CSEW on Thursday, May 19. Events like this remind us that we are extraordinary employees performing essential work.
